The first time your child is picked up from the Infant/Toddler Program, we will check the driver's license of that person to verify their identity. If they are included on the list above, your child will be released to them. If they are not listed above, we will need a phone call from the parent/guardian releasing the child to someone not on the list. If the staff does not know this person, we will ask to see his/her driver's license to verify that this person is authorized to pick up your child as per the parent/guardian's phone instructions. These precautions are taken to insure the safety of all the children attending the Children's Outreach Ministries Programs.

Please be prompt in picking up your child. If your child is picked up late, a late fee will be charged.
