

FORREST BURDETTE
Children's Outreach Ministries

"With God at our center, parents as our partners, together we will nurture the total child emotionally, physically, and spiritually."

Children's Outreach Ministries is a loving established program that has served children and families in the community for over 30 years. Forrest Burdette COM is a licensed child-care center through the state of West Virginia. The staff of Forrest Burdette is here to serve your child and family with the love and guidance of our program.

The After School Program is open to children who are in grades K-5 for the 2017-18 school year. On a daily basis, the children participate in weekly themes that include indoor/outdoor activities, art, science & nature, music, community service projects, guest speakers, educational learning and faith based studies. The After School Program will serve a snack to the children on regular school days, and will provide breakfast, lunch, and snack on full days.

The Program operates Monday-Friday from 2pm-6pm during regular school days. For Putnam County School closings, After School will offer full daycare.

We offer both Full-time and Part-time enrollment. Full-time students have the option of attending 5 days per week. Full time families will receive 5 vacation days throughout the school year. You may use these vacation days as a credit toward your account when your child does not attend the program. You must give written notification of the days you would like to use as vacation days. Part-time enrollment is anywhere from 1-4 days per week. Part-time families will be responsible for a minimum of 8 days per month, regardless of whether or not your child attends. Part-time families are not eligible for vacation days. We do accept payments through LINK with a valid Child Care Provider Certificate. All LINK paperwork must be submitted before the child can attend.

A non-refundable registration fee of \$100.00 is required with each registration form. If you are enrolling multiple children, you receive a discount for each additional child: second child is \$10 off (\$90), and third child is \$20 off (\$80).
