Thank you for your interest in Forrest Burdette Children's Outreach Ministries Infant and Toddler Program. We are excited to be working with your infant as they grow and develop in the most important stage of life. Your child's health and safety are our primary concern and we are looking forward to getting to know your child and family. FBCOM will work closely with our families to ensure that the best care will be given to our little ones!

***"With God at our center and parents as our partners, we will nurture the total child emotionally, physically, and spiritually."***

Our program runs on a school year basis. Your child will enter their respective room based on the age they are as of July 1, 2018. The classrooms are divided into the Infant Classroom (6 weeks to 12 months) and the Toddler Classroom (12 months to 24 months). The classrooms can have up to eight children and will always have two staff. If you have not seen our brand new classrooms and gym, give us a call so we can schedule a tour with you and your child. Both our new facility and our staff are awesome!

We worked very hard this year to be able to keep our tuition rates the same as last year and actually have a decrease in the registration fee. The weekly tuition is \$205 and is due every Friday for the next week. Your tuition is the same amount **EVERY** week unless you request to use a vacation day. This includes weeks with holidays, snow days or training days. Your child is considered a full time student and receives **one** week of vacation for the school year, and an additional week for the summer.

A non-refundable registration fee of \$150 for new students and \$100 for returning students is required to hold your child's spot. \$75 is required with the registration form and the remaining \$75 (new students) or \$25 (returning students) is required by May 1<sup>st</sup>, 2018. We accept Link, Connect and Child Care Aware for a limited number of children and a minimum attendance of 14 days/month is required.

We will host a "Welcome Back to School Bash" in August for you and your child to meet your child's caregivers and get acquainted with your rooms. A reminder will be sent so you can save the date.

If you have any questions or concerns, please call the FBCOM office at 304-562-9170.

We are looking forward to a fantastic year!
